**INFORMATION DISCLOSURE STATEMENT**

Sir:

In accordance with the Applicant's duty to disclose information, which may be material to the examination of this application, the undersigned respectfully requests that the Examiner consider on the merits the documents listed on the enclosed Form PTO-1449 (modified). A copy of each foreign patent document is enclosed herewith.

The Applicant has instructed the undersigned to submit the documents listed on the enclosed Form PTO-1449 (modified) for being first cited in a Japanese Office Action issued on September 6, 2011 in the corresponding Japanese Patent Application No. 2006-516954. Copies of the foreign patent documents and their English abstracts are enclosed. The Applicant has instructed the undersigned that the enclosed abstracts are adequate for the foreign language cited art. Furthermore the Applicant has advised the undersigned that each item of information contained in this information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this information disclosure statement

The filing of this Information Disclosure Statement (IDS) shall not be construed as a representation that a search has been made (37 C.F.R. 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.

This IDS is being submitted after receiving a Final Rejection. Therefore, official fees should be due; and this IDS should be considered on the merits. A fee of \$180.00, which is the fee set forth in § 1.17 (p), is paid concurrently with the filing of the IDS. The references listed on this IDS should be fully considered, in accordance with 37 C.F.R. § 1.97.

The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. (Notice of January 9, 1992, 1135 O.G. 13-25, at 25.)
